INTRODUCTION TO *Eco-friendly Cosmetics*

Botanique Beauty by Sasyani offers a line of eco-friendly, plant-based cosmetics designed to give you radiant results while caring for the environment. Developed with nature in mind, our cosmetics are not only effective but also gentle on the skin and kind to the planet.

OUR PROMISES TO YOU

Pure & Natural

- Our products are formulated with natural ingredients, free from harsh chemicals and toxins. We believe that beauty should never come at the cost of your health or the environment.

Sustainable & Eco-Conscious

- From production to packaging, every step in our process is thoughtfully designed to reduce environmental impact, so you can enjoy beauty that aligns with your values.

Effective Results

- Experience the perfect blend of science and nature. Our cosmetics provide visible results, delivering easy, everyday elegance.

BOTANIQUE BEAUTY

Chemical-Free, Plant-Based:

Our products are safe, gentle, and derived from naturally sourced ingredients.

Quick & Visible Results

Each product is crafted for easy application and quick results.

Affordable Luxury

Enjoy premium, eco-conscious cosmetics without compromising on quality or price.

Why Choose Us ?

THE BEST Skincare

Our skincare range is crafted with the goodness of nature to restore balance, radiance, and health to your skin. Free from toxins, parabens, and harsh chemicals, every product is enriched with botanical extracts, essential oils, and eco-friendly ingredients.

From deep-cleansing scrubs and hydrating creams to refreshing face mists, Sasyani Skincare is designed to:

- Gently nourish and repair skin
- Reduce tan, dullness, and fatigue
- Promote a healthy, youthful glow
- Suit all skin types with safe, natural care

Pure • Sustainable • Effective – Because your skin deserves nothing less

Most cosmetics and body care products today are full of hidden toxins. They may look organic, but behind the label lies greenwashing – harsh chemicals that harm your skin, your health, and the environment.

🚫 Common Chemicals in Market Products (and Why They're Harmful)

- Parabens – Linked to hormonal imbalance
- SLS/SLES – Strips natural oils, causes irritation
- Phthalates – Harmful to hormones and fertility
- Synthetic Fragrances – Triggers allergies, headaches
- Silicones – Clog pores and harm aquatic life

Why Choose Botanique Beauty

- ✓ 100% Natural & Chemical-Free
- ✓ No Hidden Toxins
- ✓ No Greenwashing
- ✓ Eco-Friendly & Skin-Friendly
- ✓ Made with Botanical Extracts & Safe Ingredients
- ✓ Cruelty-Free

TAN -OFF

- Gently exfoliates dead skin cells

THE BEST *Hair care*

Our hair care range is crafted with eco-friendly, plant-based ingredients that cleanse, nourish, and protect without harmful chemicals. From gentle shampoos to natural styling gels and restorative oils, each product is designed to:

- Strengthen hair from root to tip
- Reduce damage, dryness, and hair fall
- Support healthy scalp and natural shine
- Pure care for healthy, beautiful hair—inside and

out.

ECO CLEANSE SHAMPOO

- A gentle, plant-powered shampoo that deeply cleanses without stripping natural oils.
- Removes dirt, oil & buildup
- Strengthens hair from root to tip and increase volume with new hair growth.

Free from sulfates, parabens & toxins
For soft, shiny & healthy hair — naturally.

ECO-STYLING HAIR GEL

- Style with care, the natural way.
- Provides long-lasting hold without flaking
- Nourishes with herbal extracts
- Removes dandruff and reduces scalp buildup.

Non-sticky, easy to wash off

Eco-friendly formula for everyday styling

DELTA SLEEP OIL

- Relax, restore, and grow.
- Nourishes scalp & strengthens roots
- Promotes deep sleep with calming herbs

Helps reduce hair fall & dryness
Massage before bed for healthy hair & restful sleep.
